# About Us

## カタナ *Katana*

Is a unique variety of Japanese sword which is intrinsically woven into their culture and history. It is regarded as a weapon with high artistic value, known for its breakability, rigidity and cutting power.

Comparably, at Katana Peterborough we strive to bring that same artistic value to your unique dining experience through our food, drinks and service.

## けいけん *Keiken*

Means experience in Japanese and this is our core mantra at Katana Peterborough. Whether it be through our live Teppanyaki shows, fresh sushi counter or personalised service, we aim to provide a memorable experience for each & every guest, all whilst showcasing our Japanese & Pan Asian inspired cuisine.
